The World's Only Baby Carrier Focused on the Spinal Health of Both Babies and Caregivers

From
+0 month to 36 months
3.5 - 15 kg

KEY FEATURES

SPINE-FRIENDLY DESIGN: Developed in collaboration with Acibadem University Maslak Hospital Spine Health Center, this carrier protects the spine health of our parents and reduces fatigue.

PRESSURE-REDUCING TECHNOLOGY: Alleviates neck, back, and shoulder pressure, distributing weight evenly to prevent pain.

6 DIFFERENT CARRYING POSITIONS: Suitable for newborns to children up to 3 years old, adjustable according to the age and needs of your baby.

PRACTICAL MAGNETIC BUCKLES: Designed for easy use and quick adjustment, magnetic buckles allow you to adjust the carrier quickly and safely to fit your baby.

COMFORTABLE AND ADJUSTABLE: Wide, padded shoulder straps and ergonomic waist support provide comfort throughout the day. An adjustable headrest and specially designed waist support ensure different positions are supported, increasing comfort and security.

NATURAL ERGONOMIC "M" SEAT DESIGN AND ADJUSTABLE LEG OPENING: Ensures your baby maintains a natural and ergonomic "M" seat position when facing you, which is ideal for hip health. Zippered leg opening adjustments accommodate your baby's growth stages and can be easily adjusted as they develop.

SAFE AND CERTIFIED: Our carrier is produced in accordance with EN 13209-2:2015 safety standards, ensuring reliability and peace of mind for you and a cozy, safe spot for your baby.

BAKED BY SCIENCE: Acibadem University Hospital Clinical Study. In collaboration with Acibadem University Hospital, a comprehensive 90-page clinical study was conducted, showcasing that parents experience significantly less fatigue after carrying their babies in different positions for thirty minutes, thanks to our ergonomically designed carrier. This research highlights our commitment to not only the safety but also the health and comfort of both babies and caregivers. Access the full clinical study data via the QR code below to explore the scientific foundation behind our SpineCare technology.

BREATHABLE FABRIC AND COTTON INNER SURFACE: Breathable air mesh fabric and 100% cotton inner surface offer comfort and security for your baby's skin.

STYLISH AND FUNCTIONAL DESIGN: The hood and columns with the iconic Gezenbebe pattern reflect the style of our parents.

STYLISH GEZENBEBE PATTERNED COVER: Our carrier comes with a stylish cover adorned with the iconic Gezenbebe pattern. This cover is perfect for protecting your carrier and can also be used as an organization and storage bag.

Experience a closer connection with your baby and a healthier spine with every step with Gezenbebe Adeny!
